

Giving Back to the Community

Giving back to the community is what River Valley Credit Union is all about. This winter, we donated \$2,300 to Flat River Outreach Ministries. This outstanding organization provides dozens of important and helpful services to people in our community.

This spring, we will be donating \$20 to the Humane Society of West Michigan for every auto loan we close through the end of May. Last year, we raised \$1,800 for the HSWM, and we hope to exceed last year's donation this spring!

RVCU donated \$2,300 to Flat River Outreach Ministries this winter!
