Member's name  
Member's RVCU account number – Include 3-digit suffix

## Outgoing Wire Transfers - to Another Financial Institution

Besides your RVCU account information, you need wiring information from the other financial institution so it is best to call them directly. Some things you will fill in on the wiring form:

- Full name of the other financial institution
- Their Routing and Transit number
- Address of financial institution
- The final recipient's name and address
- The final recipient's full account number in which to deposit
